

Sascha Douglass

I grew up in the Midwest, but I've spent most of my life on the East Coast. Over the years, I have enjoyed serving on school and historic site boards, where I focused on fundraising and event planning. Currently I am involved on two river councils for American Rivers supporting my lifelong interest in conservation.

I love the out of doors. Fly fishing has become a big part of my life. I look forward to bringing my experience in nonprofit fundraising and event planning to the American Museum of Fly Fishing board.
